Summary

Hi, I'm Avilash Bhowmick, a B.tech student in Information Technology from Meghnad Saha Institute of Technology.

I'm passionate about web development and have experience working with HTML, CSS and JavaScript. I also enjoy content writing, technical writing and product reviewing, both technical and non-technical.

I have skills in marketing, social media and SEO as well. In my free time, I like to play FPS games and explore new things.

In conclusion,--

A web developer with a flair for writing,

A tech enthusiast who loves to learn and share,

A gamer who likes to challenge himself.
